Current Post

Professor of Mathematical Statistics, (2019 –)
Institute of Mathematics, EPFL

Previous Posts

Institute Director, (2019 – 2022)
Institute of Mathematics, EPFL

Associate Professor of Mathematical Statistics, (2013 – 2018)
Institute of Mathematics, EPFL

Assistant Professor of Mathematical Statistics, (2007 – 2013)
Institute of Mathematics, EPFL

Professional Address

Chair of Mathematical Statistics,
Institute of Mathematics,
EPFL, Station 8
1015 Lausanne, Switzerland

Phone: +41-21-693-2597
Secretary: +41-21-693-7922
email: victor.panaretos@epfl.ch
URL: http://people.epfl.ch/victor.panaretos

Research Interests

Mathematical statistics motivated by/applied to the natural sciences, including: functional data analysis, geometrical statistics and stochastic geometry, and statistical inverse problems.

Education

PhD in Statistics, University of California at Berkeley (2007)

Thesis advisor: Prof. David R. Brillinger

Ptychion in Statistics, Athens University of Economics and Business (2004)

University-Wide Valedictorian

Professional Membership

American Statistical Association, Bernoulli Society, Institute of Mathematical Statistics,
International Statistical Institute, Swiss Statistical Society, American Mathematical Society,
Swiss Mathematical Society
